

How Social Media Has Changed Lives

[Click here go to the second page](#)

This article will be talking about my favorite social media apps of 2020. I will rundown through three of my favorite apps ranking them from most used to less used. I willl also provide a link explaining the diffrent statitiics that come with using social media and also how it has been a big impact on many people's lives. An example of someone's life being changed could be Charli demilo, Addison rae, and etc.

Extra Information
